How to Join USA Swimming

From Coach Neal... *I encourage everyone in the Voyager program to join USA Swimming. *Splash* magazine is great! There are sections that appeal to adults, and some for teenagers, and articles, games, and puzzles for younger children. The photographs are amazing and showcase good swimming technique. The magazine covers international, national, and local competition. It's fun to learn about the swimmers you see on television, and to read about an 8 & Under girls relay team from Alabama.*

*There are meets available throughout the Omaha area for all levels of swimmers. If you've competed in a *Splash* Meet you can compete in a USA Swimming sanctioned meet, and I'll go with you! All of the swimmers that join USA Swimming through B-T Aquatics are entered unattached to make it easier to transfer to a year-round club like GOAL, Greater Omaha Aquatics Leopard Sharks. GOAL has practice groups at B-T and at other Omaha pools. Once you are a member of USA Swimming you can transfer to another club without having to pay your annual registration fee again. So there is no reason to wait. Join USA Swimming today!*

← *Swimming is a lifetime sport for the whole family! Another fun thing to do is join *SplashNation*. Support the sport from grass roots to gold medals now and for years to come!*
