

BROWNELL-TALBOT THEISEN POOL RENTAL

We swim for good times.

Pool parties are easy to host, and they are great fun. However, they are not for everyone. Pool parties are best for people who *know how to swim*.

B-T Aquatic's mission is to provide a safe environment for swimming. In keeping with that mission, all guests who are twelve years and younger entering the pool during a pool party must pass a minimum five-yard swim test in water over their heads.

Be sure that all young children in your group can swim. If you want to include people who can't swim in your celebration, choose a different venue so everyone can safely enjoy the party.

All swimmers ages twelve years and younger using the pool during a rental event must pass a minimum five-yard swim test in water over their heads.

Facilities: The party facilities consist of the Open Swim area of our pool which is three lanes (20' x 75') ranging in depth from 4' at one end to 12'6" at the other. We have a one-meter diving board and three 4'x4' platforms with railings for use by smaller swimmers. We have a variety of toys and floats available for your use. You may bring your own toys - no squirt guns allowed. We have a hallway just outside the pool door that serves as a great party area to serve your feast. We provide chairs and covered tables for twenty; and a refrigerator and ice are available. Bring a DVD to show on the wall, and turn your party into a Dive-in Movie!

Guest Limits: Pool parties are for people who know how to swim. A swim test is required of guest twelve and younger. ***You may have up to twenty (20) swimmers at your party.*** Spectators and chaperones do not count in this total.
