Parents & Coaches

1. Please indicate whether your child is a girl or a boy on your entry form. It's hard for me to tell sometime with names like Jamie, Chris, and Pat!
2. It is not required, but it's more fun if you list an entry time if the swimmer has one. Everyone likes to know right away when they get a best time.

Thanks for your help. The next Splash Meet will be on April 28. Register today before you leave!
